

STATE OF WISCONSIN
Accounting Examining Board

IN THE MATTER OF RULEMAKING PROCEEDINGS BEFORE THE
ACCOUNTING EXAMINING BOARD

ORDER OF THE ACCOUNTING EXAMINING BOARD
ADOPTING EMERGENCY RULES

The statement of scope for this rule, SS 079-16, was approved by the Governor on August 25, 2016, published in Register 729A1 on September 6, 2016, and approved by the Accounting Examining Board on September 19, 2016.

This emergency rule was approved by the Governor on September 21, 2016.

ORDER

An order of the Accounting Examining Board to amend Accy 2.101 (2), 2.202 (intro.), 2.303, and 2.403 and create Accy 2.202 (3), relating to education required for examination and certification.

Analysis prepared by the Department of Safety and Professional Services.

FINDING OF EMERGENCY

The Accounting Examining Board finds that an emergency exists and that this rule is necessary for the immediate preservation of the public peace, health, safety, or welfare. A statement of facts constituting the emergency is:

Administrative rules that went into effect on June 1, 2016, changed the education requirements for candidates to take the certified public accountant (CPA) examination or be certified in Wisconsin as a CPA. Some candidates who, as of June 1, 2016, had completed or were in the process of completing their education according to the requirements in effect on May 31, 2016, do not or will not meet the education requirements as revised. This proposed rule will help ensure the opportunity for these individuals to be employed or start a business as a CPA in Wisconsin is not delayed or denied.

An expeditious promulgation of this rule is in the best interest of Wisconsin's economy and public welfare, as this will prevent some students who have completed or are nearing completion of programs meeting the education requirements in effect on May 31, 2016, from having to take additional coursework to meet the current education requirements.
